TOWN OF GREAT BARRINGTON MASSACHUSETTS

SELECTBOARD

RIDE SHARE RESOLUTION

Whereas, we believe that the ride share concept, if widely adopted, could have important public benefits including reducing gasoline consumption and air pollution, expanding the employment radius for job-seekers and fostering a sense of civic connectedness;

Whereas, we endorse its implementation by Berkshire riders and drivers who would choose to participate voluntarily in a grand experiment;

Whereas, any such ride sharing, car-pooling or car sharing program should operate with public safety as a priority and shall also comply with all local, state and federal laws.

PASSED AND APPROVED this 9th day of June, 2014 by the Town of Great Barrington Selectboard.
